

# HECO

## TRESOR

### High-end bookshelf loudspeaker with superior sound quality and particularly solid cabinet

- Stable and very three-dimensional soundscape with excellent fine and coarse dynamics
- New Fluktus tweeter with 30 mm silk-compound dome and computer-optimised multi-corrugated aluminium front panel for perfect dispersion characteristics
- Performance-optimised woofer-midrange with HECO Kraft paper cone for natural and neutral sound
- Drivers with 10/12 screw fixings for resonance-free anchoring in the baffle
- Extremely robust cabinet construction with a material mix of solid MDF and aluminium casting metal parts

# HECO

## TRESOR

- Stable and very three-dimensional soundscape with excellent fine and coarse dynamics

- Drivers with 10/12 screw fixings for particularly stable and resonance-free anchoring in the baffle

- High-quality aluminium connecting terminal with solid, gold-plated and capsulated screw connectors

Piano Black / Titanium

## HIGHLIGHTS

### Drivers

- Tweeter with 30 mm silk-compound dome, ferrofluid cooling for high capacity, powerful ferrite double magnet system and new Fluktus acoustic flange made of aluminium
- Woofer-midrange with light HECO kraft paper cone, flat dustcap, solid aluminium basket and high-performance voice coil, optimised for low-distortion signal transmission
- Drivers with 10/12 screw fixings for particularly stable and resonance-free anchoring in the baffle

### Cabinet

- Extremely robust cabinet construction for absolutely superior sound
- Solid MDF main body with high-quality black high-gloss finish
- Aluminium casting side panels tightly screwed to the cabinet with matrix reinforcement
- All metal parts in silk-matt titanium finish
- Removable cloth protection cover with hidden magnetic mounts
- Bass reflex construction with airflow-optimised reflex tube
- Exchangeable rubber spikes with M6 screw thread

### Crossover

- Amplitude- and phase-optimised crossover with high-quality components
- High-quality aluminium connecting terminal with solid, gold-plated and capsulated screw connectors

# HECO

## TRESOR

### *High-end bookshelf speaker*

<b>Principle</b>	2 way, bass reflex
<b>Drivers</b>	1 x 1.2" dome-tweeter 1 x 5.25" woofer-midrange
<b>Power Handline (RMS/Max)</b>	80 / 140 watts
<b>Impedance</b>	4 - 8 $\Omega$
<b>Frequency Response</b>	35 - 40 000 Hz
<b>Crossover Frequencies</b>	3500 Hz
<b>Recommended Amplifier Output</b>	> 30 watts
<b>Sensitivity (2.8V/1m)</b>	90 dB
<b>Cabinet surface</b>	Body: Piano Black Side panels: Titanium
<b>Dimensions (WxHxD)</b>	202 x 290 x 263 mm
<b>Incl. terminal and feet</b>	202 x 298 x 282 mm
<b>Weight</b>	8.2 kg
