HIGHLIGHTS

Bluetooth® on-ear headphone with integrated rechargeable battery

- **Integrated high-performance lithium-ion battery:** lasts up to 20 hrs, rechargeable via USB in less than 2 hrs
- **Integrated high-precision stereo amplifier with Bluetooth 4.1** for best sound quality
- **When the battery is empty, the headphone can be operated via the supplied audio cable**
- **Bluetooth® operation** (volume, play, pause, next/last track, phone) from many smartphones via control elements on the headphone
- **Built-in wind-protected precision microphone** for hands-free operation in excellent quality
- **Klippel®-optimized 40 mm laser tech driver**
- **High-quality surfaces with metal applications, leather and soft-feel-paint**
- **Very comfortable to wear** thanks to optimized ergonomics and soft memory foam padding
- **Fold-flat ear cup design** for easy and safe transportation
- **Extensive accessories:** transport bag, stereo audio cable, USB charging cable
