

QUALITY

Silver Express Plus

LF phono audio cinch cable with additional ground

Excellently made pre-assembled phono cinch cable with additional ground for connecting record players to amplifiers. The inner conductor's coaxial design and the silver-plated wires ensure that this high-quality Oehlbach cable produces particularly transparent transmissions in the treble range while simultaneously guaranteeing – as a result of the OFC copper used – room-filling bass performances. A 24-carat gold-plated metal cinch plug guarantees perfectly reliable contact and pleasant handling.

Features

- ✓ 24- carat gold-plated contacts
- ✓ Additional ground line
- ✓ double shielding
- ✓ Robust plastic sheathing
- ✓ Solid full-metal plug
- ✓ SPC - silver-plated copper
- ✓ highly flexible cable
- ✓ Reliable contact

Technical Data

Inner conductor material	SPC/OFC - silver-plate oxygen-free copper
Cable sheathing	fabric sheath
Shielding quantity	double shielding
Shielding material	1 x aluminium foil + 2 x silver copper braid
Plug design	Full-metal screw-type plug
Cable geometry	Round
Plug type	Straight
