i-Connect J-35

Mobile audio cable, 3.5 mm audio jack to 3.5 mm audio cable

This i-Connect cable delivers the perfect analogue stereo connection between a portable media player and an audio device with a 3.5 mm jack socket. The cable is equipped with a 3.5 mm jack on both sides. High quality metal connectors with 24 carat gold-plated contact surfaces provide maximum transmission reliability and signal stability. The mother of pearl coloured connectors provide the unobtrusive black cable and the more eye-catching white cable with a unique and elegant finish.

Features
