

# Dynavoice Magic S-4

The Magic S-4 is the natural surround speaker in a Dynavoice Magic home theatre setup. Combined with the F-7 floor standing model and the C-4 centre speaker your 5.0 setup is complete. The S-4 is also a convenient alternative for a small stereo setup, combining a high sensitivity with a clear and crisp sound. The smart design with two front firing bass reflex ports and VESA100 fittings on the back makes the S-4 easy to mount on the wall.
